

CURRENT SUPPORT ACTIVITIES

POSTED August 2, 2006

YOUR LETTERHEAD

The Honorable William Thomas
2208 Rayburn Office Building
Washington DC

Dear Representative Thomas,

We support HR 5416 which would make up to \$45 million available for valley fever vaccine research and development.

(Describe your reasons; be specific about \$\$ and the impact of the disease personally or on your community or business.)

Sincerely,

cc: Your House of Rep's member
VFAF FAX 661-746-4746

Your action is requested in support of US Congressman Bill Thomas' proposed \$45,000,000 Valley Fever legislation

If passed, will provide up to \$45 million for valley Fever vaccine research and development.

Please fax letters of support to 202-225-8798, attention Mike Holland, and also send by regular mail. VFAF would appreciate a copy faxed to 661-746-4746.

Please provide a copy to your own member of the House of Representatives and ask him or her to co-sponsor the bill.

For more information on sending letters, click on the underlined heading above!

Double or triple the impact of your letter by requesting a similar letter of support to Thomas from your local Chamber of Commerce, City Council, or state legislator.
