

VALLEY FEVER AMERICAS FOUNDATION

P O Box 2752, Bakersfield, CA 93303

Dear Friends,

What have you got on the calendar for February 3-17, 2007? I'm going to be cruising through the Panama Canal and raising funds for Valley Fever vaccine research.

Imagine touring exotic port cities, relaxing on deck, watching the locks slide by, enjoying the food, the parties, the friends, the 14 days doing what you please. **How about joining me!**

What started out as just plain fun for a few couples has developed into a fundraiser for the Vaccine Project through the ingenuity and generosity of Ron Biglin, **Kern Travel/East Hills** agency owner and fellow Rotarian in Bakersfield, California.

What he imagined and put into place is this — you pay an additional \$50 per stateroom for a fourteen day cruise from LA to Miami through the Panama Canal and your contribution is matched by his travel agency and by the cruise company. That's a total of \$150 towards Valley Fever vaccine research for every stateroom booked, and 60 have been set aside for this adventure.

I know it will be a great cruise aboard the **Celebrity Cruise Line's Summit** starting in Los Angeles on February 3 with stops along the way in Mexico (Cabo San Lucas, Acapulco, Huatulco), Costa Rica (Puntarenas), Panama (Cristobal Pier) and Oranjestad, Aruba. I've traveled with Ron before, and we've always had a lot of fun. I've also been on the **Summit**, and it is one of the best.

In fact, I've been on this exact same cruise and it was about the best vacation we ever had. It is an absolutely gorgeous landscape, there is lots of time for relaxing at sea, and an historian will be on board to tell the history of the locks and explain how they work. If you are up early enough, you will see the sun come up behind you as we leave the Pacific ocean on our way to the Atlantic. You might have to think about that one for a minute.

For prices and reservations, you can go to a link at our website, www.valleyfever.com, or contact Ron Biglin directly at Kern Travel/East Hills, 661-872-3940, toll free at 1-866-WHERE TO (943-7386) or ronb@kerntravelesthills.com.

My wife Bette and I, Executive Director Sandra Larson and her husband George Larson, and our Medical Advisor, Dr. Tom Larwood and his wife, Foundation Board Member Pauline Larwood, and many others who have been working on the vaccine project will be aboard. We all look forward to traveling with you.

Sincerely,

Michael W. Cooper

President and Chairman of the Board

PS — Please don't wait to make your reservations as the rooms we've set aside are starting to fill up already. Once our allotment of staterooms is sold, prices will increase.
